Today, we are the go-to address for state-of-the-art high-quality holloware and buffetware, flourishing side by side with our newly released Rolling Buffet Series.

Eastern’s fully stocked warehouse, featuring the greatest variety of holloware and buffetware in the industry, is a major advantage to our dealer-oriented network. All items are clearly divided into our 4- and 5-star rating program specifically designed to simplify the purchasing process.

The close collaboration between our sales team, and on-site factory is one of our unique strengths, enabling us to provide products with the advantage of self-expression by choosing the design and finish that fits each customer’s personal preference. Customers can choose from:

- Highly polished or brushed stainless steel
- USA silver plate or the incredibly popular USA Xylo color-coated finish.

We set up a fully equipped refurbishing plant that is geared to handle many custom requests and also enables us to refurbish and repair any existing products for 50% of the cost of purchasing new ones. We strive to discover more effective strategies to keep your holloware in service for many years.

Our sales force is highly trained on product detail and you can tell that they are Eastern-driven from the onset. They have the compulsion to embrace the unparalleled level of innovation and connect with the customer’s ultimate desires and needs.
