LEXUS ACTION STATION

LeXus Raised Butane Stove Dress-Up Action/ Cooking Station
14.5"W x 11.5"D x 10"H

- 3274 Stainless Steel
- 2274 Silverplate

The LeXus Action Station has dual uses: it can be set up as a part of the buffet where it can be configured to interconnect continuously in a bridge fashion with the LeXus L and X risers for an impressive multi-tiered cooking and food display, although depending on the particular surroundings, it can be used as a bold standalone cooking station as well.

Allows for
integrated or
standalone cooking
configurations

Glass and acrylic
platforms available
in multiple sizes and
dimensions

*Connects
seamlessly and
easily with LeXus L
and X risers*
