Survey: Americans Aren't Staying Home for the Holidays

Serve them Safely

POP UP PODS

Create you own social bubble

- Sets up in mere minutes without any tools needed
- Raise the temperature with space heaters placed inside the pods for comfortable dining as the weather gets cooler.
- Adheres to social distancing rules as **each Pod hosts one single party of guests**
- 2 sides open for proper ventilation to help reduce Covid transmission

Propane Heaters

Mushroom and Pyramid

- **Anti-Tilt** Safety Cut Off Mechanism
 - Low Output to High Output with Pilot Battery Igniter
 - Stainless Steel Control Box and Grates
 - Magnetically held panel for easy removal and gas bottle exchange when empty
- Cover available separately
