

# EASTERN

Powered by EcoBurner

## This buffet is powered by EcoBurner!

The SAFER, CLEANER & GREENER alternative to gel or wick pots.

### ZERO WATER

- No more wasting water at the buffet.
- Staff no longer need to handle hot water making it a safer working environment.

### LESS CARBON

- 75% less carbon emissions compared to gel or wick pots.
- Independently certified by Carbon Footprint Ltd.

### ZERO WASTE

- Refillable burner means no more single-use items such as gel or wick pots going to landfill.
- EcoBurner fuel cans are fully recyclable.
