

## **Hub Buffet Table Instructions**

- 1- Open the box and take out carefully the Hub collapsible table with the lower rack wooden shelf.
  
- 2- Unwrap the wrapping carefully (do not use any sharp blade).
  
- 3- Open the folding table and place the lower rack shelf on the (4) notches from the inside on the table.
  
- 4- Place your top tiles on the table, make sure that the nipples are sitting inside of the table frame.
  
- 5- Place your front and side panels by pushing them up first into the U shape of the table frame and then slide in the bottom
  
- 6- add your bar top (optional ) by sliding the U shape bottom of bar top into the two corners of the top tiles
