

## **Genuine Products - Genuine Benefits**

The Eastern Hub was designed with attention to critical details to provide practical benefits to the customer not found in other knock offs.

- Hub table frames are constructed of 18/10 stainless steel.

Aluminum is a soft metal that cannot hold up to the intended versatility of the Hub.

Hub Table frames are the most versatile piece of equipment you will ever own. This will be opened and closed several times a day as it can be used for breakfast action stations, lunch buffets or evening cocktails, with table tiles constantly being changed. There is NO WAY that an aluminum frame can hold up to this activity.

## **Simplicity is the utmost Sophistication**

- Hub frames are designed in a way to be totally collapsible, yet it doesn't have any screws or rivets to come loose, nor any hinges or mechanism to wear off and malfunction from years of use.
- Heavy Duty casters easily roll from tile to carpet and lock into place when needed.
- Tabletop tiles are made of hardwood, to withstand all temperatures and climates.
- The laminate tiles feature a scratch resistant finish for longer and better durability.
- The greatest variety of table tile drop-ins and add-on features available, from action tiles, to frost tops, to overhead canopies.
- Display table tiles are reversible for dual usage and long-lasting wear.
- The Hub Collection is constantly updated with in trend color tiles and panels to keep your investment current and up to date.
- The ZOZZ Collection and Q-bik Displays are a perfect add-on to the HUB collection. They complement and integrate fully with Hub system. All three collections HUB, ZOZZ and Q-bik are compatible and use the same tiles.
- While some parts of the Hub come from overseas, many finishes and assemblies are done in our full-fledged Bayonne factory. Thus, giving us the opportunity to provide service after the sale.
- Reference is available of satisfied customers using the HUB already for many years, as this has been in service for over 5 years and is not a start off product only building credibility now.
