

ORI

UNFOLD. WORK. REPEAT.

Inspired by the Japanese art of origami – The Ori table system combines elegant design, space-saving functionality for hospitality and banquet environments. Available with **Rectangular** or **Crescent-shaped Tabletops**, the system delivers a premium presentation and modern aesthetic.

Crescent-shaped

Designed for effortless mobility & quick room reconfiguration – Ori features folding stainless steel frames that collapse completely flat for compact storage and organize back-of-house operations.

Hardware-free design quickly snaps open and locks in place — no tools, no instruction manual, no complicated assembly.

- Crescent-shaped buffet tables
- Bottom shelf/privacy panels available
- Tabletop risers available
- Wide range of laminate finishes available
- Stainless steel frames available in XYLO powder coating
- Folds flat
