THE HUB

Charcoal Grill Station

Elevate Your HUB — Turn your outdoor gatherings into culinary events with our new heavy-duty charcoal grill and griddle, seamlessly integrated into the Hub Table.

Dual-surface cooking, *unparalleled style.*

This robust unit transforms your table from a simple gathering spot into a professional-grade social cooking station. It features versatile dual surfaces—a searing grill grate and a flat griddle top—providing the authentic charcoal flavor necessary to feed great crowds.
