Crown Collection Chafing Dishes

The Crown Collection features an elegant polished design perfect for high end dispay and dining service. This item includes hinged lid with drip free feature, food pan, sterno holder. This vessel works as a water pan, and features a hydraulic hinged slowed letdown mechanism. A removable clip on utensil holder makes this the perfect all-in-one chafing unit. Choose between glass or stainless steel lid design, which locks in at 180°. The Crown Chafing vessel works on all induction warmers and cookers.

Powder coating available.

soup marmites

Jazz Rock Soup Marmites

Easter's Best collection highlights the Jazz Rock and the Jazz Hammered soup marmites – featuring their premium design for professional buffet presentation. These soup marmites work on all induction warmers, cookers, or as a tabletop chafer – versatile for catering or buffet setups. Eastern's marmites includes sterno holder, food pan, and water pan. Hydraulic hinged slow-letdown mechanism – cover locks at 180° for safe, controlled opening.

Powder coating available.

coffee urns

Eco Coffee Urns

Eastern's hotel grade Eco Burner coffee urns feature evolutionary central heat distribution. Unlike traditional urns that heat from the base only, our innovative central heat tube distributes heat from the core and through the walls, creating natural circulation for consistent temperature throughout. No preheat required. Leave hot spots and temperature drop in the past when you switch to flamless heat!

Powder coating available.

beverage dispensers

Beverage Dispensers

Powder coating available.

Eastern hotel grade Slim beverage dispensers are ideal for juices, water, or other cold beverages. The Slim collection also offers match cereal dispensers to complete your breakfast station. They are perfect for buffets, events, and catering setups. Stainless steel legs bases are stable and make dispensing easy. The central ice chambers keep drinks chilled without dilution.
