

KIBARRO

BY EASTERN

The Art *of* Outdoors

Hospitality has moved beyond four walls. Guests seek elevated dining experiences on rooftops, terraces, pool decks, courtyards, and open-air venues.

Kibarro brings the elegance and craft of indoor service to outdoor spaces, with a collection that's beautiful, enduring, and designed to create experiences that keep guests coming back.

75 Years of Hospitality
Craftsmanship

1 Complete Outdoor
Service System

KIBARRO
BY EASTERN

Beautiful. Inside and out.

01

Ethyl Fab Poly Lumber

The finish that won't flinch.

Solid, waterproof, and UV-protected, Ethyl Fab Poly Lumber weathers every season while keeping a pristine, polished elegance.

02

Fully Customizable

Your property. Your palette.

Select from curated Ethyl Fab Poly Lumber color collections, premium fabrics, and metal frame finishes—with every piece tailored to your aesthetic, your brand, and your desired guest experience.

03

Built to Last.

Strength beneath the surface.

Durable Ethyl Fab Poly Lumber, hidden hardware, and reinforced construction deliver lasting strength and stability—without compromising the clean, refined appearance.
