Learn more about EcoBurner.

EcoHold Flex32

HOT or COLD Food Holding – This banqueting cart uses Thermoflex Technology to maintain consistent temperatures for five hours without the need for electricity, batteries, or cables. Heat with EcoBurners or chill with Cool Packs, load with pans or plates, and roll it wherever it's needed.

ECOHOLD FLEX 32 FOR INDOOR & OUTDOOR USE

HOT or COLD service with **Thermoflex Technology**. No electricity, cables or batteries required.

5 EcoBurners
30 minutes to heat up
HOT for 5 hours
(EcoBurners not included)

10 COOL PACKS
30 minutes to chill
COLD for 5 hours
(COOL PACKS included)

PORTABLE

SUSTAINABLE

SAFE FOOD TEMP.

COST-EFFECTIVE

Smart Features for Reliable Service.

FOOT PEDAL

Hands-free door opening for easy access during service.

THERMOMETER

Built-in mechanical thermometer to monitor internal temperature.

GLASS DOORS

Double-glazed, toughened glass doors allows users to view contents without opening the cart, preventing loss of heat or chilled conditions.

LOCKABLE

Doors lock securely to protect food integrity and restrict access during transport and service.

HANDRAIL

Wrap-around handrail and corner bump rails for smooth handling and protecting.
